## FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With  
**Thedford's Black-Draught.**

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

## WHY GARFIELD IS FOR WILSON

From a letter to the Hughes National College League.

Dear Mr. Burton: May I reply informally to your circular letter of the 8th of September in which you appeal to me, not as a partisan, but as a college man, to enroll as a member of the Hughes National College League. Highly as I honor Mr. Hughes, I have decided to support Mr. Wilson.

His character as a man, his sympathetic understanding of the problems of the day, his record in office, his unusual ability, preeminently displayed in meeting and dealing with the three great emergencies of his administration, and the importance of maintaining an uninterrupted policy at this juncture in world affairs lead me to believe that the best interests of our country will be served in keeping the present administration and its party in office for the present.

I have therefore enrolled myself with the league of independent voters of Massachusetts.

Permit me to add that the sectional issue, raised by some of our Republican leaders, is repugnant to the American spirit and the welfare of our institutions. Under the circumstances it offends the sense of fair dealing with political opponents, it tends to arouse old fires of passion and, if successful, will disunite a people now united and incidentally destroy the party that fosters so calamitous an issue. Sincerely yours,

H. A. GARFIELD.

Williamstown, Sept. 18, 1916.

Prior to the governor's meeting with the committee of legislators, it became known that the governor does not favor the proposition to call a special session, as he feels, it was said, that the situation is not acute enough at this time to warrant such action.

## MYSTERIOUS PAINS AND ACHES

**Make Life Hard To Bear For Many Hickory Women**

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to

their merit. Read a Hickory woman's case:

Mrs. L. M. Thomas, 2 Tenth Ave., Hickory, says: "Some time ago I was down with backache, brought on, I believe by weak kidneys. The pain bothered me, particularly in the morning. After I was up and around for awhile, the trouble wore off, but appeared again the next morning. My

ankles also became swollen. Doan's Kidney Pills, which I got from Latta's Drug Store, gave me relief from the first and two boxes removed the trouble."

Price 50c, at all dealers. Doan's simply ask for a Kidney remedy—Doan's Kidney Pills—the same that Mrs. Thomas had. Foster-McMillan Co., Props., Buffalo, N. Y.
